Dear Mike,

I would like to thank you for the prompt and thorough work your firm performed for us at 5850 S. Broadway. You and your crew did a great job organizing and completing your work in a manner that avoided impact or delay to our work areas, on a very tight schedule.

In the twelve years of working together with your organization, we have continually been impressed with the professionalism, efficiency, and cost control your company has been able to provide.

We look forward to continuing the relationship in the years to come. Keep up the good work.

Sincerely,

**Mac-Bestos, Inc.
